

TH 41 Roadway Expansion (US 212 to Pioneer Trail)

PROJECT PURPOSE

This project will address current traffic congestion and safety needs on Trunk Highway (TH) 41 from US 212 to north of Pioneer Trail (County Road 14). The project will accommodate all roadway users and anticipated growth of the area.

PROJECT AREA AND KEY OBJECTIVES

Construction is scheduled to begin in the Spring of 2018

TH 41 between US 212 and Pioneer Trail

- Expand from 2-lane to 4-lane

Hundertmark Road Intersection

- Assess safety and capacity
- Determine turn lane needs

Pioneer Trail (CSAH 14) Intersection

- Assess safety and capacity
- Determine turn lane needs

Pedestrian and Bicycle Accommodations

- Trail Underpass of TH 41 near Lake Grace
- Sustain trail along east side of TH 41
- Improve pedestrian ramps and signals at intersections

TH 41 Roadway Expansion (US 212 to Pioneer Trail)
