Project

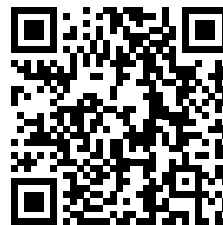

5th Street Closure Begins September 3

5th Street will be closed between Hwy 41 and Walnut St. starting Tuesday, September 3. The road is expected to stay closed for about four weeks (weather permitting) to perform concrete placement, curing, and paving. Please note that certain parking stalls on the east side of 5th Street will only experience intermittent closures during daytime hours. Our team will try to reopen the road intermittently whenever possible. We apologize for any inconvenience and appreciate your patience!
