

**Garbage, Recycling, and Mail**

Until further notice, continue to place your garbage and recycling bins where you normally place them for each scheduled pick-up. We ask that you please have your garbage or recycling bins at the end of your driveway by 7:00 a.m. the day it is supposed to be picked up. This will help the contractor know that garbage and recycling bins need to be moved to side streets. The contractor will contact and coordinate with the pick-up companies. Please write or display your house number prominently on your bins so that it can be returned to you.

The contractor will contact and coordinate with the postal service on how mail will be delivered during the project. Those of you without curb side mailboxes should remain unaffected. Temporary mailboxes will be installed where needed and those affected will be notified.
