Construction of:

- South Interceptor Forcemain
- Lift Station
- Sanitary Sewer
- Watermain
- Storm Sewer
- Street Reconstruction

Construction Duration:

Start: April 27, 2020

Finish: October 30, 2020

Project Engineer:

Bryan Drown, P.E.

Project Engineer

Cell: 218-821-5242

E-mail: bryan.drown@bolton-menk.com

Alex Voit, P.E.

Construction Representative

Cell Phone: 218-821-1913

E-mail: alex.voit@bolton-menk.com

Contractor:

RL Larsen Excavating, Inc.

2255 12th Street SE

St. Cloud, MN 56304

Project Manager:

Doug Moen

Cell: 320-980-2511

Project Superintendent:

Jeff Wipper

Cell: 320-980-2523

Dates

With the paving completed this past week major construction activities for the project are completed for 2020.

Planned work for the week of November 9th to November 13th is:

- Placing topsoil shoulders.
- Punchlist items and miscellaneous clean up throughout the project. If there is debris or items needing to be removed adjacent to your property, please notify project contacts.
- If you are having any issues with the recently installed mailboxes or newspaper boxes please notify Bryan Drown or Alex Voit immediately.

Service Connections

- **Residents whose sewer and water services come off of Chestnut Drive, Camwood Trail, the north side of Highland Scenic Road, Mississippi Road, and Scenic River Drive from Forestview Drive to undeveloped Camwood Trail may connect and activate their private service connections to the City water and sewer systems.**
- **Residents on other streets cannot connect to the water and sewer systems at this time. Testing must be passed for other areas to be able to connect to the city water and sewer systems. We will provide updates when further areas are able to connect.**
- See the map attached at the end of this newsletter for areas that can connect to City water and sewer systems.

 **Contacts****Contractor**

Doug Moen, from R.L. Larson Excavating is the project manager for the contractor. He can be reached through his cell phone at 320-980-2511. Jeff Wipper, from R.L. Larson Excavating is the project superintendent for the project. He can be reached through his cell phone at 320-980-2523.

Engineer

The consulting engineer for the project is Bolton & Menk, Inc. - We encourage those with project concerns to direct them through the engineering contacts.

Alex Voit from Bolton & Menk will be on site representing the City during construction. He will be providing construction observation and coordination. You may call him at 218-821-1913 or e-mail him at alex.voit@bolton-menk.com with any questions or comments you may have.

Bryan Drown from Bolton & Menk is the project engineer for the City. You may call Bryan at 218-821-5242, or e-mail him at bryan.drown@bolton-menk.com.

 **Updates**

If you have questions or concerns at any time, please contact Bryan or Alex at the phone number or email address listed.

Weekly construction meetings are being suspended until the Spring of 2021.

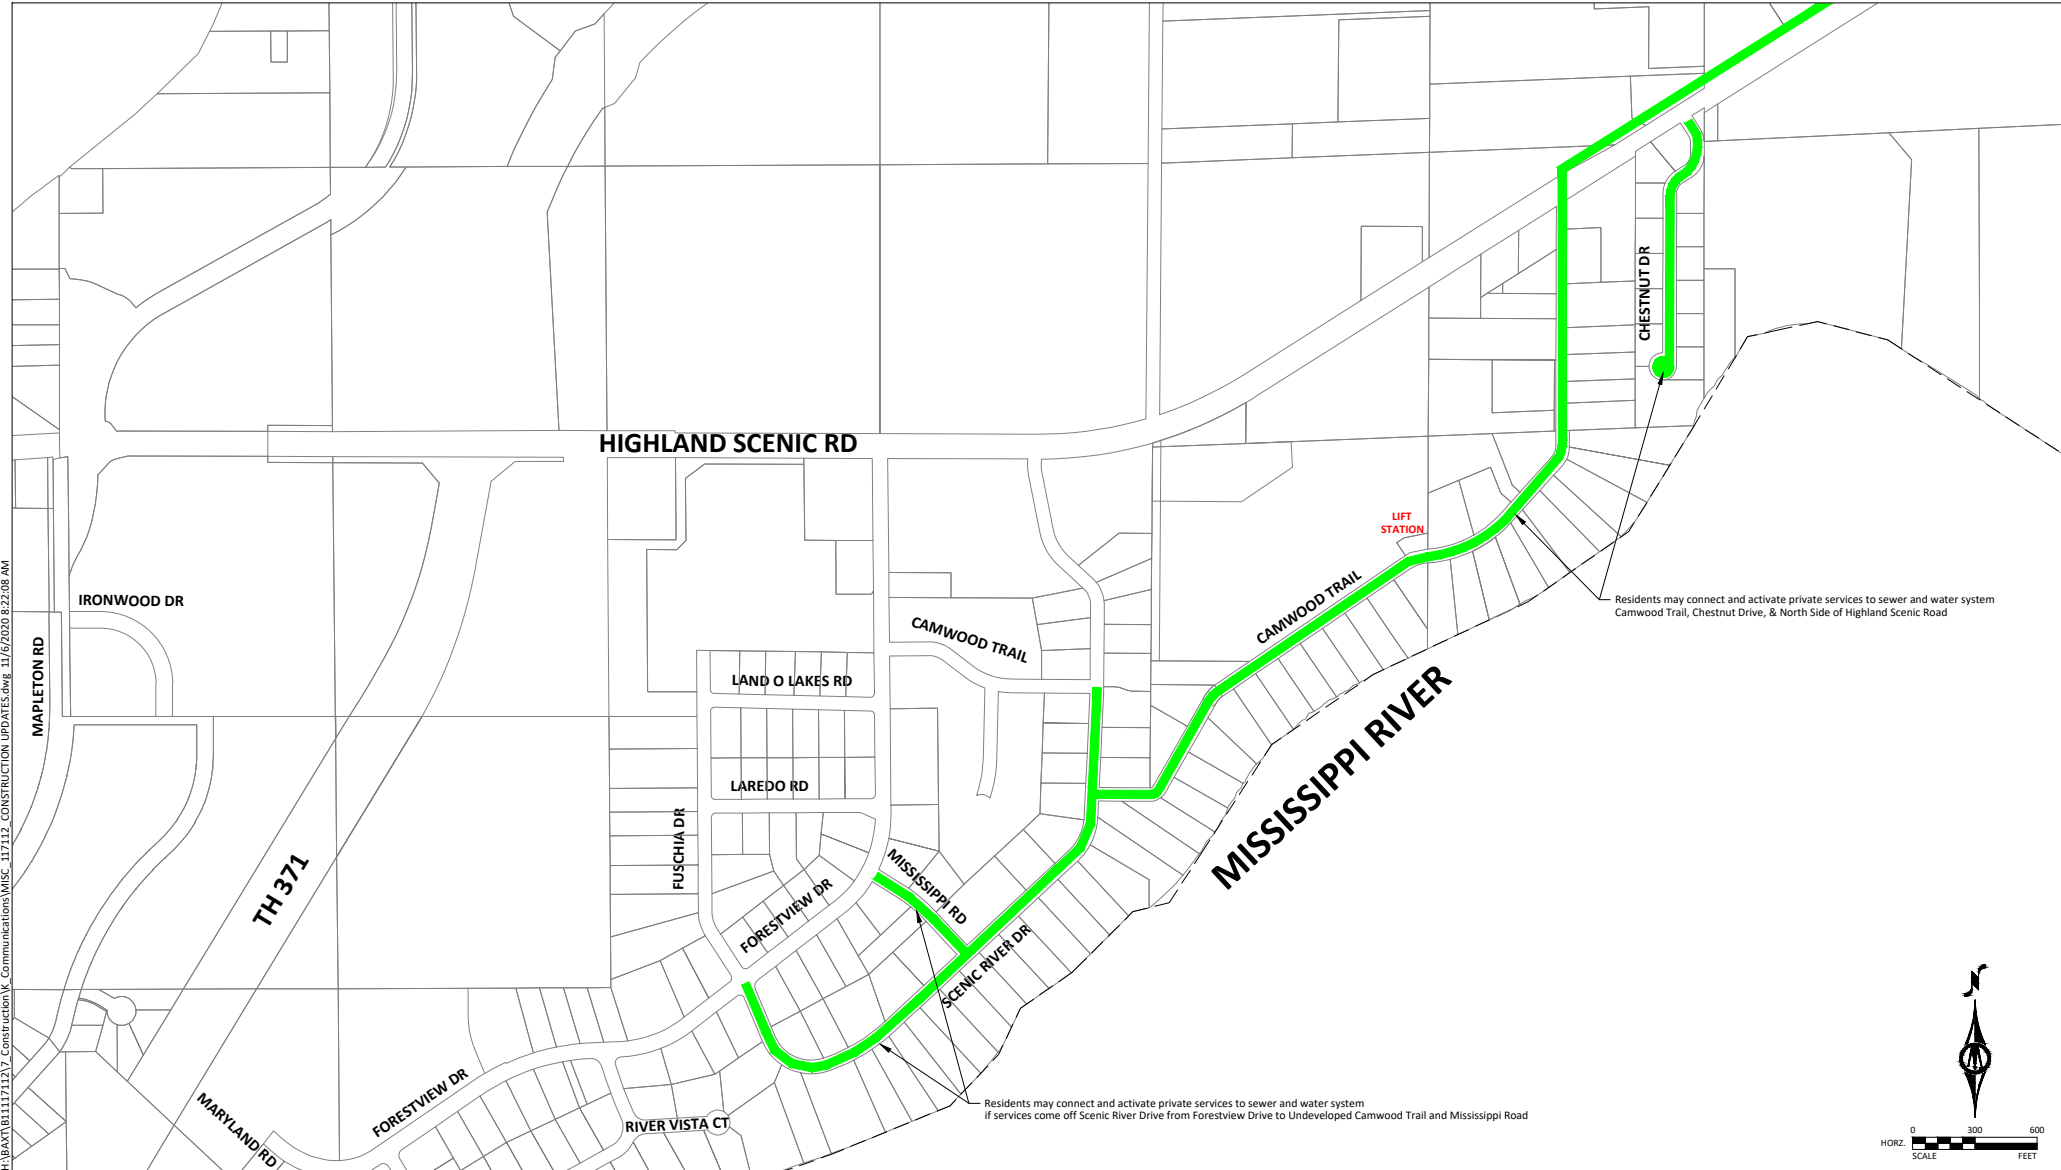

Bolton & Menk is developing an e-mail distribution list for project updates. Please e-mail Bryan Drown at bryan.drown@bolton-menk.com with the e-mail address(es) you would like updates sent to.

Bolton & Menk has developed a project website where construction updates will be provided. Please check the website for updates. A link to the website is on the City of Baxter website.

The project website address is: <https://clients.bolton-menk.com/baxter2020improvements/>

 **Map**

See next page.

Residents may connect and activate private services to sewer and water system
Camwood Trail, Chestnut Drive, & North Side of Highland Scenic Road

Residents may connect and activate private services to sewer and water system
if services come off Scenic River Drive from Forestview Drive to Undeveloped Camwood Trail and Mississippi Road
