

## *Project Update: Week of August 13th, 2018*

For the week of August 13<sup>th</sup> the construction project continued with work on the intersection of Penn Avenue and 82nd Street.

Tree removals were completed in the construction zone this week. New trees throughout the construction site will be planted in the spring.

Trenchless underground utility construction to prepare for the new storm sewer installation within Penn Ave & 82nd St and along the north side of 82nd St will continue next week. Traffic will remain open with some lane restrictions as shown in the figure below.

## Lane Restriction Map
