

## Project Update—August 20, 2018

### Week of September 17

The intersection of Penn Ave and 82nd Street was paved this week, and all traffic control was removed. Utility installation continued on Knox Ave between American Blvd and W 81st Street (blue area) with sanitary sewer installation. Knox Ave south of W 81st Street (pink area) closed this week, and pavement was removed. The pavement in the parking lots west of Knox Ave was also removed.

### Week of September 24

Utility construction will continue on Knox Ave with sanitary sewer and watermain installation. American Blvd will be reduced to one westbound lane and no turn lanes at Knox Ave starting Wednesday, September 26. Please note that the intersection will remain open to both east and westbound traffic during this time.
