

Project Update—October 25, 2018

Week of October 22

This week, storm sewer work concluded on Knox Ave and grading began. A 32'x9' box culvert was installed west of Knox Ave.

American Blvd striping was also painted.

The Knox/81st intersection closed Thursday, October 25, and will be closed for about two weeks.

Week of October 29

Next week, concrete curb and gutter will be installed on Knox Ave. A 6-foot storm sewer will also be constructed along 82nd Street. This will not affect traffic.
