

## Project Update—November 29, 2018

*All traffic control has been removed, and the areas are open to traffic.*

### Week of November 26

Trenchless storm sewer and twelve-foot diameter culvert work continued along 82nd Street throughout the week. Temporary seed and mulch were placed on disturbed areas along Knox Ave and 82nd St.

### Week of December 3

Twelve-foot diameter culvert work will continue along 82nd Street throughout the week. This work is expected to last until Christmas. The pit by the water reservoir will be fully removed on Monday.
