

## Project Update—January 9, 2018

### Week of January 7

Twelve-foot diameter culvert and box culvert work resumed this week near Morgan Circle.

### Week of January 14

Box Culvert installation will continue near Morgan Circle. Preparation will begin for trenchless storm sewer to the south of Morgan Circle. Excavation support and other preparations for box culvert work by Red Lobster will continue next week. Access to Red Lobster will be maintained throughout construction.
