

Project Update—February 8, 2019

Week of February 4

Excavation support work for box culvert work resumed by Red Lobster.

Week of February 11

Weather-permitting, crews will return to box culvert construction. Trenching will begin for the box culvert excavation support system for work by Red Lobster. Please note that access to Red Lobster will be maintained throughout construction. These tasks will be suspended if conditions are too cold or snowy to complete the work.
