

## Project Update—April 19, 2019

### Week of April 15

Crews worked on restoration of the project area and continued backfilling the greenspace on the north side of 82nd Street between Penn Ave and Knox Ave.

### Week of April 22

***The American Blvd/Knox Ave intersection will be reduced to a 4-way stop on Wednesday, April 24 from 7 a.m. – 7 p.m. for signal work.*** During this time, several turn lanes will be closed (see map): the eastbound right turn lane on American Blvd; the right turn lane on northbound Knox Ave, and the left turn lane on westbound American Blvd.

Crews will also continue restoration and cleanup of the job site throughout the week, as well as backfilling the 12-foot diameter culvert. The remaining concrete sidewalk on Knox Ave and American Blvd will begin late next week, weather dependent. Final asphalt paving on Morgan Circle will occur in early May.
