

Project Update—May 31, 2019

Week of May 27

The final lift of pavement was placed on Morgan Circle. Utility work at the reservoir continued, and concrete work finished up. Restoration and cleanup continued throughout the project area.

Week of June 3

Knox Ave will be closed north of American Blvd for watermain work beginning Tuesday, June 4. Please follow posted detour signs.

Backfilling will occur where utility work is occurring by the water reservoir, and restoration and cleanup will continue throughout the project area.
