## Construction Progress Update

Street sections of 200 Block of North Meridian and Church Street have all underground utilities in place and are currently being built back. All underground utilities in the 100 Block of North Meridian will be completed next week. You will start to see concrete work the week of June 6<sup>th</sup>. The current target for street and walk completion in this area of north Meridian and Church Street is around the 4<sup>th</sup> of July, this would allow for re-opening.

## Next Up

- On **June 5<sup>th</sup> and 6<sup>th</sup>**, **Cedar Street on the north and south side of E Main St will have brief impacts that may involve reduced lanes or flagged traffic restrictions to allow for the temporary water main to be placed.**
  - All properties will receive further notice no less than 24-hours in advance of any planned water shutdowns or interruptions.
- Beginning **June 12<sup>th</sup>**, **E Main Street will be closed from the east side of Chestnut Street to the west side of Walnut Street.** (CSAH 3 detour also implemented).
  - The intersections at Main & Meridian and Main & Chestnut will remain open to:
    - Access for businesses
    - Access for parking
    - Access for deliveries
    - Access for local traffic
