

CREAMERY AVENUE IMPROVEMENTS

Water Shutoff

A water shut off is scheduled for Tuesday, April 22nd, from 8:00 am to 5:30 pm.

A water shut off is required for the Creamery Avenue Improvements reconstruction project. The water shut off will affect properties connected to city water at the following locations:

- Perry Avenue North from 9th Street to 10th

The day and time of the water shutoff is subject to change due to weather or contractor scheduling changes. Residents will receive further notice if changes occur.

If you have any questions or concerns during construction, please call the on-site inspector Wayne Duhoux at 320-204-9430 or project manager Jeremy Boots at 320-895-0137.

We apologize for any inconvenience this may cause. Thank you for your continued patience and cooperation throughout the process of improving your street and utilities!

Site Removals Perry Avenue North

Site Removals on Perry Avenue North such as driveways, trees, utilities and other misc. items that were presented at the public hearing are to be removed starting the week of April 21 on Perry Avenue North from 9th street to 10th street. If you wish to view the plans, please visit the project website as listed below or contact the on-site inspector Wayne Duhoux at 320-204-9430 or project manager Jeremy Boots at 320-895-0137.

Creamery Avenue Road Closure

Creamery Avenue North will be partially closed for the storm sewer construction from CSAH 21 to Harris Creek on April 16, 2025.

Visit the project website for more information and to sign up for project updates!
