WHAT WE HEARD

GENERATOR NOISE

The current onsite generator is loud. Residents requested a quieter generator be installed with the expansion.

RESIDENTIAL FEEL

This facility is located in a residential neighborhood, and residents requested the building take on a more residential look and feel.

LANDSCAPING

Residents requested more landscaping such as trees and better fencing to help make the area more visually appealing and concealed.

COMMUNICATION

This project is impactful to the neighborhood. Residents requested more up front communication and updates in the future.

**LATE FALL 2020
CONSTRUCTION BEGINS**

**SUMMER 2022
CONSTRUCTION DONE!**
