During Stage 3, the east leg will be closed to allow for the removal of the temporary roadway access and construction of the northwest trail portion. Traffic is still encouraged to follow the posted detour that will remain the same as Stages 1 and 2. To access 9th Circle, traffic will need to utilize the west leg of County Road 45 and/or the south leg of 125th Street. Left turns from 125th Street to County Road 45/Rum River will not be allowed during the stage to allow for construction of the splitter island.
