**June 9, 2021
4:30-6:30 p.m.**

**Le Sueur Public Library
Parking Lot**

118 Ferry St,
Le Sueur MN 56058

Open House

You are invited to the first open house for the CSAH 36 Improvements Project. This is an opportunity to learn more about the project background, proposed roadway improvements, project schedule, and more..

Project Background

The improvement of CSAH 36 has been a priority for the City dating back to 2014, with failing pavement and underground utilities. The sanitary sewer is in the worst shape and required an emergency repair just last summer to avoid a complete pipe collapse.

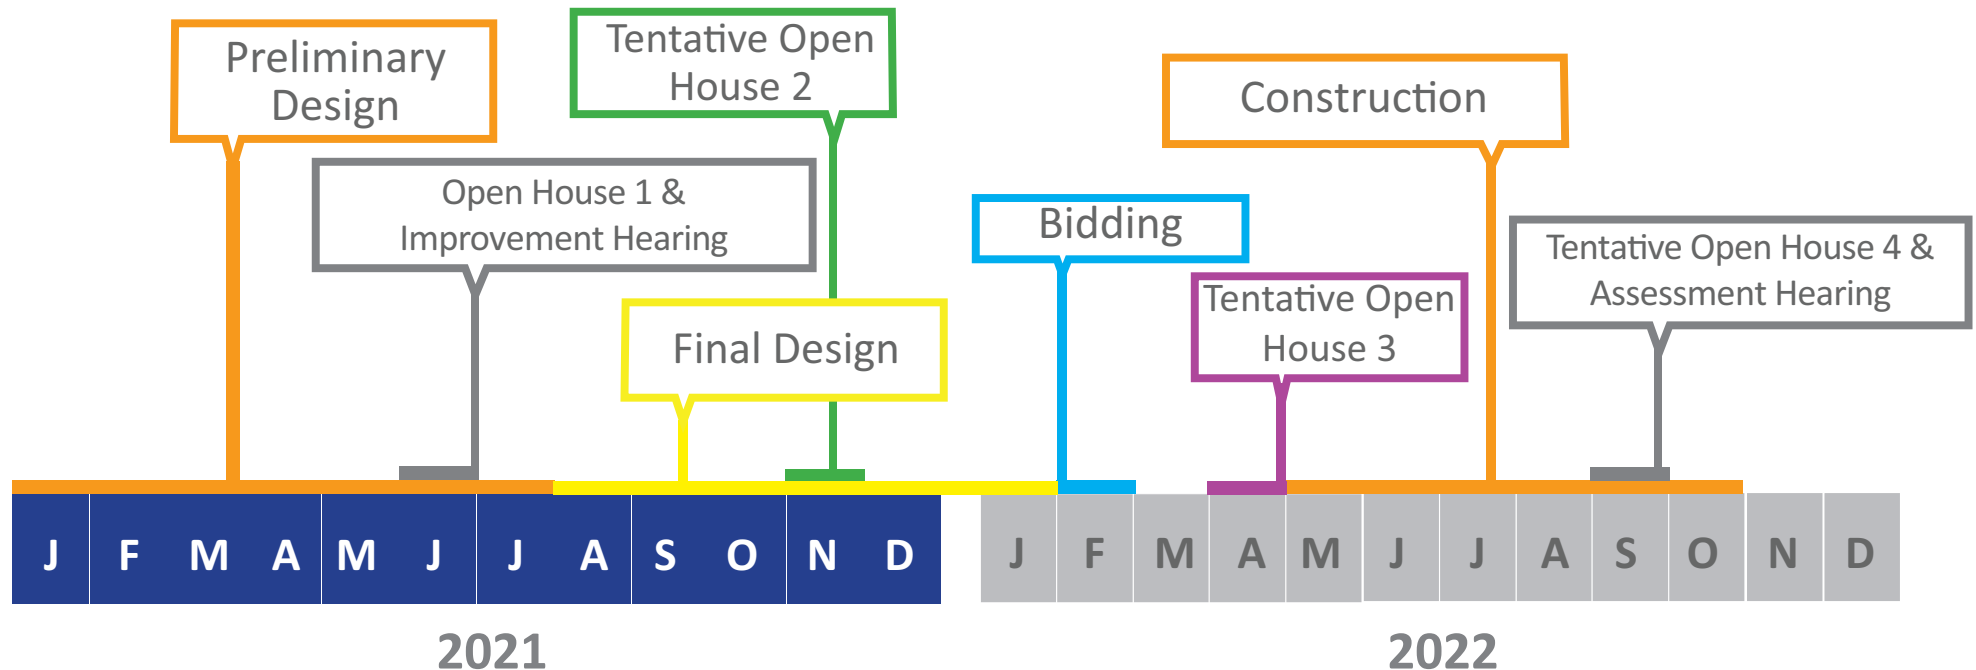

The project is proposed to include the following areas: • CSAH 36 (South Main Street) – South City Limits (S 3rd St) to Ferry Street • CSAH 36 (Ferry Street) – South Main Street to South 4th Street • Ferry Street – South Main Street to Parking Lot • Parking Lot – Ferry Street to Bridge St (TH 93)
