

# Open House 1 Summary

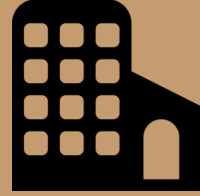

December 16, 2018

The meeting was an open house style with no formal presentation. Discussions centered around informational boards and preliminary design layout.

**Thursday, Dec 6**  
2018  
4:30-6:30 p.m.

Lakeville South  
High School

**45+**  
attendees

Feedback was received through written and verbal comments

Questions about trails and pedestrian facilities

Overall positive reception of expanding to four lanes

Concern for truck movements with transitioning the Hamburg Ave intersection from a 4-way to 2-way side street stop

Concern for loss of left-turn access in and out of properties

Existing issue of FedEx truck lights shining in home windows near Dodd Blvd

Concern for noise and light pollution associated with added capacity to the county road

Questions about if and how landscaping will be incorporated in the project

Concern that expanding to four lanes would reduce the gaps for vehicles entering County Road 70 from side streets.

Questions about how the noise study is being conducted
