

Easton Street & Utility Improvements

Garbage & Recycling

Until further notice, continue to place your garbage and recycling where you normally place them for each scheduled pick-up. The contractor will contact and coordinate with the pick-up companies. We will be in touch with you as the project continues regarding locations for garbage and recycling pick-up.

Mailboxes

Prior to your street being closed, Holtmeier will coordinate with the postmaster to relocate your mail delivery to a temporary bank of mailboxes near your home/apartment. You will be notified of the final location once it is determined.
