

# 2019 Street Improvements Project Update

June 3, 2019

*Please view the phasing map on page two.*

## Week of May 28

- Crews marked curb for removal.

## Week of June 3

- Temporary mailboxes are scheduled to be installed on Cascade Avenue on Tuesday for all affected residents. Notices will be handed out to the affected residents.
- Crews will reclaim Chesterfield Way, 200<sup>th</sup> Street, Chili Avenue, and Chevelle Avenue where storm sewer is being installed.
- The contractor will remove driveways and curb where the storm sewer is proposed to be installed.
- Storm sewer installation will begin.
- Gate valve replacement work will occur. This will require a water shut off to a number of residents for a few hours. Notice will be provided to all residents affected by the water shut off the day before with a paper notice handed out or left at your front door, so please be on the lookout for that.

## Parking, access, and detour information

During construction, the contractor will typically work from 7 a.m. to 7 p.m. On-street parking will not be available during working hours. If you need to leave past 7 a.m., you may need to park on another nearby street. Access to driveways will be restored at the end of each work day.

## Contacts

If you have any questions or concerns, please contact **Eric Hauser at (507) 276-6695**.

Thank you for your patience and cooperation during construction!
