

Real People. Real Solutions.

**Construction Update**  
**Westview Street and Utility Improvements**  
June 28, 2019

*You are receiving this email because you subscribed for updates from the Westview Street & Utility Improvements Project. Please note that all scheduling are estimates and subject to change based on weather or contractor schedule fluctuations. For more project information, please visit [www.farmingtonmn.gov/westview](http://www.farmingtonmn.gov/westview)*

**Construction Completed This Week**

- RL Larson continued grading for reconstruction of Hickory Street and the cul-de-sacs
- RL Larson completed installation of the storm sewer along the school property and First Street
- RL Larson installed all the sanitary sewer and watermain on Westdel Road
- Northern Dewatering installed dewatering equipment on Westview Drive

**Scheduled Construction Next Week**

- RL Larson will install all sanitary sewer and water services on Westdel Road
- RL Larson will install the storm sewer on Westdel Road
- RL Larson will continue street reconstruction on Hickory Street and cul-de-sacs

**News & Notes**

- Reminder: Call Bob at 1-(320)-241-5561 with any sewer or water service issues during construction
- Reminder: There is No Parking on County Roads; Residents should avoid parking on school property, as it can block bus traffic; parking is available in the St. Michael's parking lot during construction hours.

**Contacts**

Should property owners have any questions about this information or the project in general, please contact **Shawn Snyder at (651) 755-1497 or Eric Hauser at (507) 276-6695.**

Thank you for your patience, cooperation, and understanding throughout the process of improving your streets and utilities!
