Overview

As the City of Fergus Falls and Comstock Construction continue to progress with the Downtown Riverfront Improvements project, you will notice changes in construction activity in the coming days and weeks.

Work on Court Street and the south half of the parking lot are progressing and the contractor is on schedule to complete the project on time. Most underground utilities have been completed and work will focus on preparing the surface for concrete sidewalk, curb and gutter, and bituminous paving.

Construction Updates

- Starting **Monday, October 4** construction activities will begin on the north half of the parking lot between Union and Court Streets.
- The entire parking lot is planned to be closed for approximately 3 weeks.
 - Please plan to find alternative parking during this time.
- Continued work on the market structure and south half of the parking lot will take place during this time.

Contacts

Jon De Graaf will be on site throughout the project and will serve as the primary. Jon can be reached at 712-363-5680 or Jonathan.DeGraaf@bolton-menk.com. Informational newsletters, such as this one, will be posted to the City website throughout the summer. Hard copies will also be available at City Hall. If you have questions or concerns at any time, please contact Jon De Graaf at the phone number or email address listed.

Please take time to check out the project website.
