Overview

The City of Fergus Falls is undertaking a continuation of the Downtown Riverfront Improvements Project in the parking lot east of the market pavilion. This project includes the construction of a splash pad, restroom, decorative concrete, utilities, and landscaping that is meant to continue the ideas behind the market pavilion project and create additional public spaces.

Update

The parking lot is paved and partially re-opening soon! The fence will be returning to the center of the parking lot to allow space for the concrete and landscaping work around the splash pad plaza. The final layer of asphalt will be placed in the spring.

Construction

Continued work will take place as long as weather allows. Crews will be placing concrete, preparing planting beds, and installing site furnishings.

Contacts

Ben Graupman will be on site throughout the project and will serve as the primary contact during construction. Ben can be reached at (507)-720-1523 or Ben.Graupman@bolton-menk.com. Newsletters, such as this one, will be posted to the city website throughout the summer. If you have questions or concerns at any time, please contact Ben at the number or email address listed.
