Notice: A city reconstruction project is currently planned near your property and your presence is requested at the following meeting(s).

Informational Meeting

An **Informational Meeting** will be held on **Thursday, March 10, 2022, at 6:00PM at City Hall**. During this meeting, we will provide detailed information on the project. This meeting is intended to provide an informal opportunity for residents to ask questions and have detailed discussions with the Project Engineering team.

Hearing on Improvement

This project will include special assessments to benefitting/adjacent properties. During the next council meeting on **Monday, March 14th (6:00pm)**, a public hearing will be held regarding the project. Please see the enclosed Notice of Hearing on Improvement for more specific information. This hearing is intended to allow the public a chance to voice their concerns/comments regarding the project to City Council. Following the hearing, the City Council will consider whether or not to move forward with the project as previously discussed.

Project Overview

A map of the project area is included on the other side of this notice. The project will include the following improvements:

- Street pavement and curb & gutter reconstruction
- Replacement of water mains, sanitary mains and services
- Storm sewer and inlet replacement
- Pavement overlay (4th Ave SW Only)

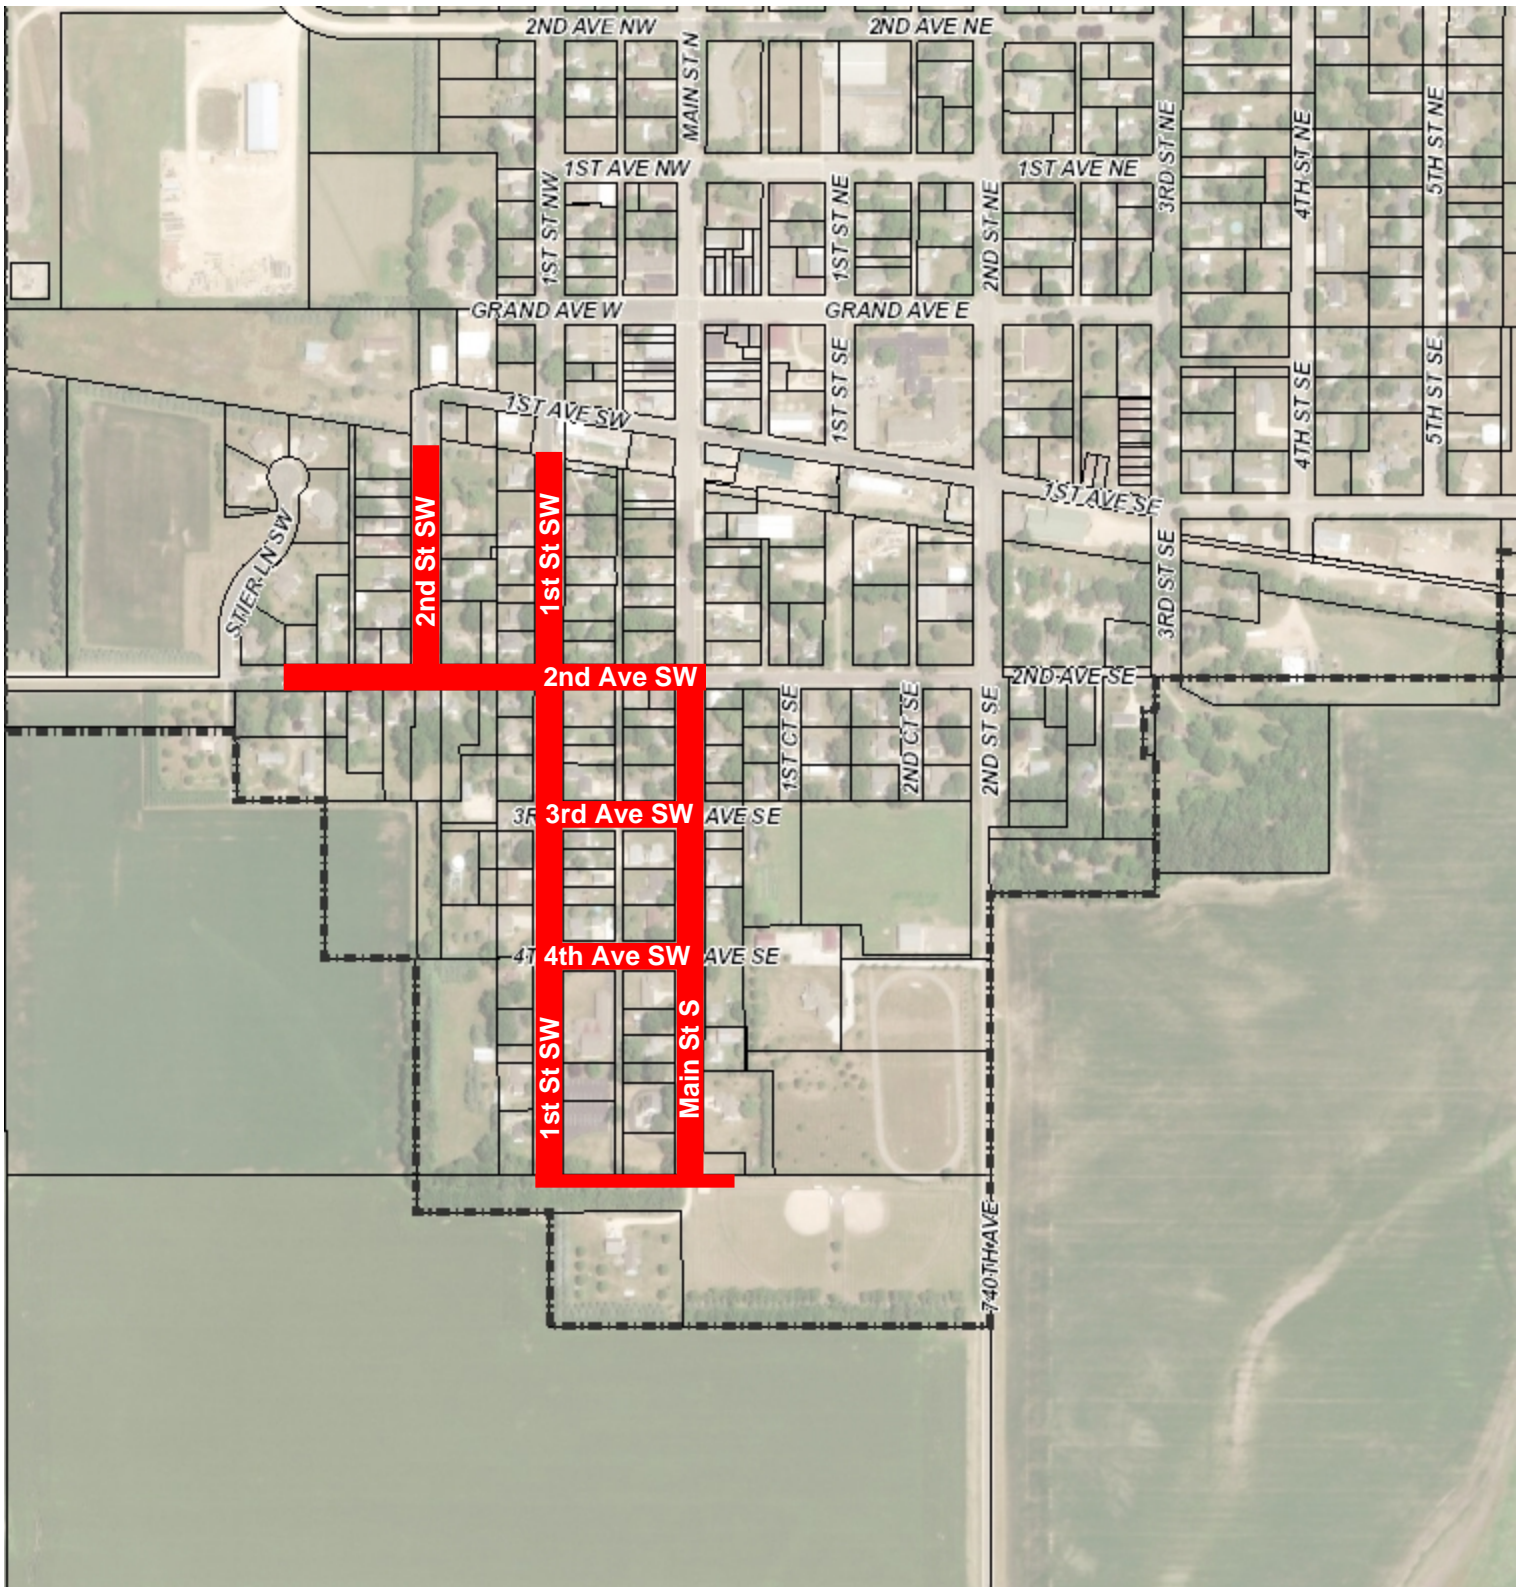

Preliminary estimates of project costs and assessments will be provided at the meetings noted above.

Contacts

Informational newsletters, such as this one, will be mailed to you periodically throughout the project design and construction. **If you have questions or concerns at any time, please contact Derek Olinger at 507-525-2685, or derek.olinger@bolton-menk.com.**
