\$ SPECIAL ASSESSMENTS

The final interest rate for the Special Assessments has been determined to be 5.685%. Payments can be made without interest until July 31, 2024. Payments can be made with interest between August 1 and November 15, 2024, before going on property taxes to be paid over 15 years with interest. Questions regarding special assessments can be directed to David Baker, Deputy City Clerk, at 952-548-6366, or Nick Amatuccio (see contacts).

📅 PROJECT SCHEDULE

Recent weather including large amounts of rain has delayed portions of the project, along with many construction projects in the metro area, but progress is back on track towards project completion. The following is an overview of the upcoming phases of the project schedule, and a phasing map is provided on the last page of this newsletter.

Early July

- No work is scheduled to occur on July 4 or July 5 for the Independence Day holiday.
- Concrete sidewalk and driveways will be poured on Phase 1A the week of July 8.
- Roadway excavation will finish and concrete curb will be poured on Phase 1B the week of July 8.
- Utility work will begin, including watermain and sanitary sewer, on Phase 2 the week of July 8.
- Spot concrete removals and replacement will begin on Phase 3A the week of July 8.

Later in July

- Wall and turf restoration will begin on Phase 1A.
- The first layer of asphalt will be paved on Phase 1B.
- Utility Work will continue on Phase 2 with water/sewer services and storm sewer.
- Reclaiming (grinding up) the pavement on Phase 3A may occur, followed by asphalt paving.

👥 PROJECT CONTACTS

Project Help Line (952) 236-3998

Jamie Hand, of Bolton & Menk, Inc., is the Construction Project Representative, will be on-site daily, and is one of the primary contacts for residents during construction. He can be reached at (612) 394-3747 or jamie.hand@bolton-menk.com

Josh Hrabe, of Bolton & Menk, Inc., is the Construction Manager for the project and will be another primary point of contact for residents during construction. He can be reached at (612)-965-2473 or joshhr@bolton-menk.com

Nick Amatuccio, of Bolton & Menk, Inc., is the Project Manager overseeing the construction process and will serve as another contact for residents. He can be reached at (612)-965-3926 or nickam@bolton-menk.com

Eric Klingbeil is the City Engineer for the City of Hopkins and will be the main contact at the City for this project. He can be reached at (952) 548-6357 or eklingbeil@hopkinsmn.com

Website: The website will be updated approximately weekly once construction starts with the latest project info throughout construction, and residents can sign-up for weekly email and/or text updates through the website. The site URL is www.Hopkins-2024.com.

Text & Email Updates: Through the project website, www.Hopkins-2024.com, you can sign up for text and email updates that you will receive throughout the duration of the project. This is a very efficient and effective way to know what's going on during the project.
