

2020 Street & Utility Improvement Newsletter

August 23, 2019

Project Schedule:

Planning – Summer/Fall 2019

Design – Winter 2019/2020

Construction - Summer 2020

Overview

The City of Houston is beginning to plan for the 2020 Street and Utility Improvement Project within the following area (map on page 2):

- Lincoln Street (Elm Street to Cedar Street)

The project will involve the complete reconstruction of the street and underlying City utilities (sanitary sewer, watermain, and storm sewer).

The first steps in the planning process include the completion of a topographic survey and the preparation of a Feasibility Report. The topographic survey work is scheduled to begin the week of August 26-30, 2019.

A neighborhood informational meeting will be held in mid-September to gather information and inform residents about the project. A future newsletter will provide the date, time, and location for this meeting.

Dates

Survey Work - August 26 – 30, 2019.

Neighborhood Informational Meeting – Mid-September. Watch for a future newsletter with the date/time/location.

Contacts

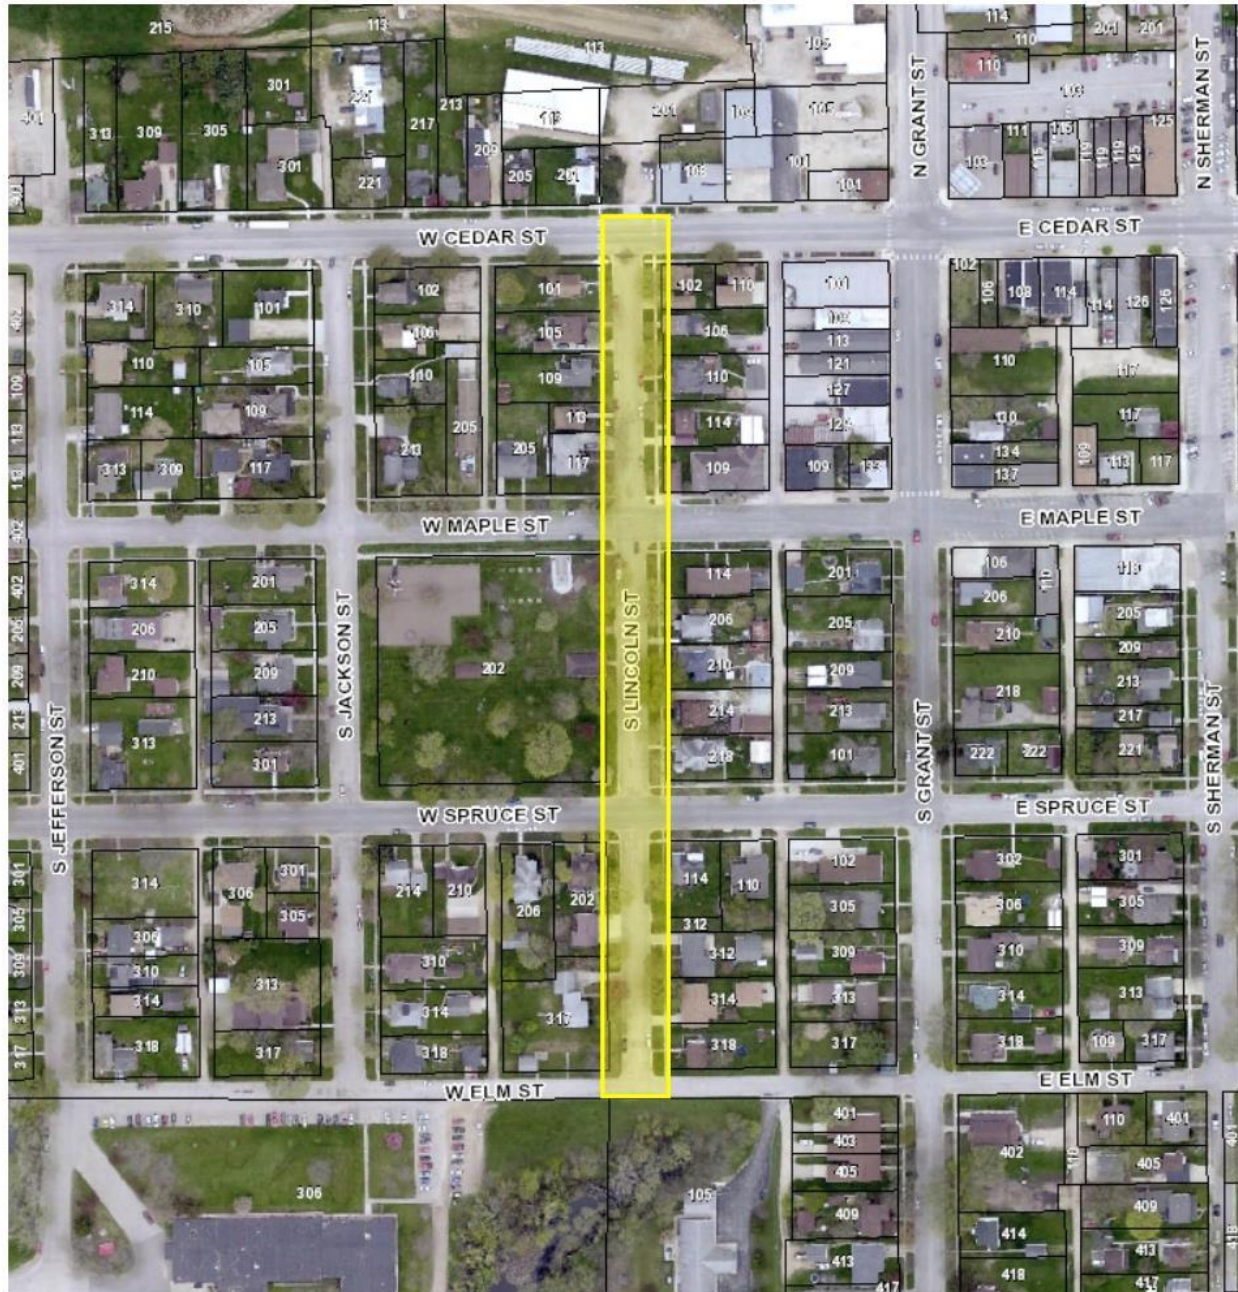

If you have questions about the proposed project, please contact the City Engineer, Brian Malm at 507-381-7511, or brian.malm@bolton-menk.com.
