

2020 Street & Utility Improvement Newsletter

April 1, 2020

Assessment Hearing:

Monday, April 13th, 6:00PM
Houston City Hall (or TBD)
105 West Maple Street
Houston, MN 55943

Project Schedule:

Assessment Hearing – 4/13/20
Construction – Summer 2020

Overview

The City of Houston received bids for the Lincoln Street project on March 5th. The low bid was used to calculate final assessments for the upcoming public hearing.

Assessment Hearing

The City will be hosting an **Assessment Hearing** on **Monday, April 13, 2020 at 6:00 PM at City Hall**. **The venue may change due to COVID-19. Please listen and watch for updates.** A formal presentation is planned. A separate notice was published in the Houston Banner and individual notices were mailed to each property owner. The full proposed assessment roll is at City Hall.

Informational Meeting

We had intended to host Neighborhood Informational Meeting #3 on Thursday, April 9th at City Hall. However, with the governor's stay-at-home mandate due to the COVID-19 outbreak the city has decided to **NOT** hold this meeting. The decision was made with the best interest of the residents in mind.

The intent of the informational meetings is to promote openness and create ways for residents to be engaged in the project. It is our goal to continue the good working relationship we have already established through the first two neighborhood meetings. With that, please forward any project or assessment questions you have via a phone call or e-mail to the contact listed below. Written questions can be placed in the drop box located at City Hall. Follow-up communication will be shared in the form of a FAQ response to all residents. Please stay engaged in a manner most comfortable to each of you.

Project Website

A project website has been created and can be found at the address below:
