Project Overview

Competitive bids for this project were received and the project was awarded to Zenke Incorporated, from La Crescent, MN on April 13, 2020.

Schedule Update

Even with the rain that the project has experienced, it is still on schedule. The contractor plans to be finished with the piping including water by the end of June. Roadwork is planned to begin towards the end of June.

FYI – An updated project schedule has been added to the website.

Contacts

If you have questions or concerns at any time during the construction project, please contact **Steve Vrieze** at 507-696-4859, or steve.vrieze@bolton-menk.com.

Contacting Steve is most often the quickest means of answering questions and addressing concerns related to the project.

Private Construction

Names, addresses, and phone numbers have been provided to the contractor for those that are interested in having private utility work or private concrete work completed on your property. It is understood that several of you have already contacted a private contractor for private utility work. Please communicate your intentions with Steve Vrieze so he is aware of your plans as it relates to the project.

Weekly Updates

Please sign up for email updates on the project website! This will be the most effective way to receive important construction updates. The first weekly update will be issued on Friday, June 12.

Project Website

Additional information concerning the project including schedules, contacts, meeting information, maps, and more can be found on the project website:
