

# U.S. Highway 10/169 Improvement Project

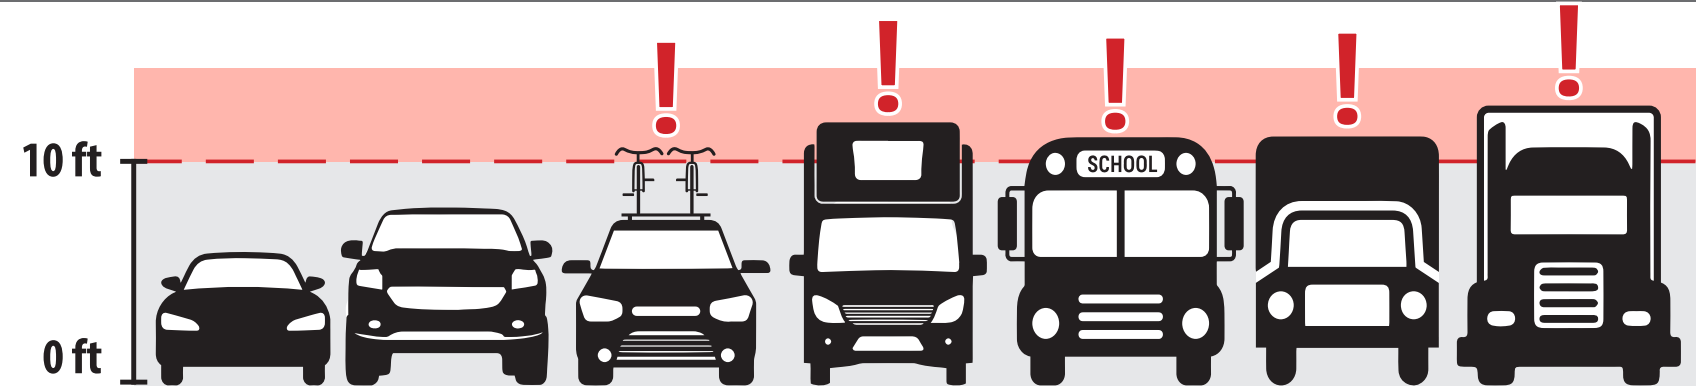

## Height Restrictions (2022-2023)

⚠ Subject to change. Check website for most current information.

AnokaHwy10.com

During some construction stages, Thurston Avenue and Fairoak Avenue will have low clearance as new bridges are built for Highway 10/169.

			<p>Low clearance areas same as in Stage 1A and 1B, but four lanes of traffic open on Highway 10/169.</p>			<p>Bridge construction complete.</p>
<b>Thurston Avenue</b>	<p>Low clearance on SOUTH leg</p>	<p>Low clearance on SOUTH leg</p>	<p>Low clearance on NORTH leg</p>	<p><b>Thurston Avenue</b> <b>CLOSED</b> to all traffic at the Hwy 10/169 bridge</p>	<p><b>OPEN</b> (standard clearance)</p>	
<b>Fairoak Avenue</b>	<p>Low clearance on NORTH leg</p>	<p>Low clearance on NORTH leg</p>	<p><b>Fairoak Avenue</b> <b>CLOSED</b> to all traffic at the Hwy 10/169 bridge</p>	<p><b>OPEN</b> (standard clearance)</p>	<p><b>OPEN</b> (standard clearance)</p>
