Pedestrians/Bicycles: Crossing Hwy 10/169 (2022-2023)

AnokaHwy10.com

During construction, pedestrians and bicycle users should cross Highway 10/169 only at designated pedestrian crosswalks. These locations will have pedestrian signing and pavement markings.

Where can I walk or ride a bike across the highway during construction?

Pedestrian crosswalk locations will vary during each stage of construction.

Pedestrian detour routes will be signed during construction.
