TH 169/TH 282/CR 9 Intersection Improvements
PRELIMINARY DESIGN AND ENVIRONMENTAL DOCUMENTATION

What is the status of the TH 169/TH 282/CR 9 Intersection Improvements?

The City of Jordan, along with project partners Scott County and MnDOT, has been studying potential improvements to the intersection of TH 169/TH 282/CR 9. Preliminary design plans and an environmental review document have been completed for the possible construction of an interchange at this location.

 **MORE INFORMATION ON THE PROJECT CAN ALSO BE FOUND HERE:**
<https://tinyurl.com/us169-hwy282-cr9interchange>

The interchange improvements are not yet funded so there is currently no schedule for the construction of the project.

How can I find out more?

The City of Jordan, Scott County, and MnDOT are hosting an open house to present information on the project and gather public input on the proposed improvements. The proposed design plans, the environmental review document, and additional background information on the project will be available at the meeting.
