## Overview

This summer the City of Jordan is undertaking a construction project to improve and sustain infrastructure at several locations this summer. The following project areas are to be included in the 2022 Infrastructure Improvement's Project, also as shown in the map on the next page. In summary, the work entails:

- **Whispering Meadows:** Watermain replacement, street pavement replacement, and the addition of concrete sidewalk along the outside of the Seville and El Dorado Drive loop.
- **Alley Improvements:** Surfacing 4 alleys between Mertens Street and Rice Street, ½ block north of Second Street (TH 282) with either concrete or bituminous (blacktop) pavement

## Project Informational Meetings

The project is currently in the preliminary design phase. A meeting has been scheduled for each project area to discuss the proposed improvements. The meetings will be held:

**When:** **February 1, 2022**  
**6:00 pm:** Whispering Meadows Public Information Meeting  
**7:00 pm:** Alley Improvements Public Information Meeting

**Where:** Jordan City Council Chambers  
116 First Street E, Jordan MN 55352

Both meetings will also be **simulcast online** via the City's website at <https://jordanmn.gov/city-government/city-council-meetings/>.

Residents looking for more information may also visit the project website at: [www.jordanmnengineering.com](http://www.jordanmnengineering.com).

## Special Assessments

Special assessments are necessary per City policy to fund a portion of the improvements for both the Whispering Meadows and Alley Improvements. Owners of property to whom special assessments apply have received an additional notice with preliminary information. A second public Information meeting will be held in the spring with additional details on construction and the final assessments.
