2026 INFRASTRUCTURE IMPROVEMENTS – PROJECT QUESTIONNAIRE

Option to complete paper questionnaire below, or online using QR Code below or link: <https://tinyurl.com/26infrastructure>.

Please complete this questionnaire so that we may better identify issues before construction starts. Curb replacement and/or grading work could potentially disturb your irrigation system or invisible fencing.

1. Have you observed standing water in the street/alley or in your yard after a significant rain?

☐ Yes

☐ No

2. If you answered yes for drainage issues, state location:

3. Do you have an irrigation system? If you answered yes, please include your address below.

☐ Yes

☐ No

4. Do you have an invisible pet fence? If you answered yes, please include your address below

☐ Yes

☐ No

5. If we have any questions regarding your responses, may we contact you?

☐ Yes

☐ No

Name:

Phone:

Email:

Street Address* (Required):

6. Please describe any other issues you have observed with the alley/street adjacent to your property or other suggestions you would like considered as part of this project (use back page if more space is needed):

PLEASE RETURN TO CITY HALL (210 FIRST ST E, JORDAN MN 55352) OR
