Welcome to the

2022 STREET & UTILITY IMPROVEMENTS

OPEN HOUSE!

PROJECT INTRODUCTION

Today we will be looking at planned improvements along Beacon Street, Rochelle Avenue, Coffee Street, Kirkwood Street, and the Pleasant Street/Sheridan Street Alley.

In the Beacon Street, Rochelle Avenue, and Coffee Street area, we will be looking at defining a "sense of place", circulation studies, wayfinding & signage, streetscape elements, materials, and furnishings.

Tonight's Meeting: What to Expect

5:00 pm - 7:00 pm

Tonights Open House will have multiple stations. Start with reviewing the site maps, then grab stickers to share your preference for site elements. Grab a comment card & leave us with your thoughts.

Meeting To-Do List

- Review content
- Talk with project staff about questions/clarifications
- Provide your input on the comment cards and vote on signage with stickers

PROJECT OBJECTIVE & OUTCOMES

OBJECTIVE:
We want to hear from you! Tell us your thoughts and opinions on the improvements proposed in these project areas and the future of downtown Lanesboro.

- OUTCOMES:**
- o Define the identity for the future of downtown Lanesboro
 - o Improve pedestrian safety, parent and bus drop-off areas, and parking along Kirkwood Street.
 - o Establish strong circulation to bring people downtown
 - o Design solutions to support future growth of businesses/address aging infrastructure
