

13-21 CONSTRUCTION UPDATE

May 23, 2019

Stage 1 continues

Stage 1 of the Highway 13 Reconstruction project began Monday, May 13, and is scheduled to last about 5 weeks. Stage 1 includes Highway 13 from Highway 282 to just east of Vergus Ave. During this time, Stage 1 will be closed, and traffic will be detoured via Marschall Rd and County Road 42.

Weekly work update

This week, the roadway surface was removed and storm sewer/culvert replacement continued, as well as grading. This work will continue into next week.

Memorial Day weekend work

No work will occur over Memorial Day weekend (May 24-May 27). Stage 1 will still be closed to traffic over the holiday weekend.

Spring Lake Boat Landing Access

Please use Vergus Ave to access the Spring Lake boat landing. This will be the only point of entry. Please view the boat access map.

Resident information

Access will still be maintained in the Stage 1 for residents travelling to or from their homes. Those exiting or entering their neighborhood using Vergus Ave north of Hwy 13 are asked to travel straight through the Vergus intersection and continue south—see access map. Garbage and mail pickup will continue as normal. The contractor will be working Monday-Saturday 7 a.m. to 7 p.m.

Stay informed

Weekly updates will be posted on the project website and sent out to those subscribed for project updates. If you have any concerns during construction, please reach out to the project email or hotline listed below.
