

13-21 CONSTRUCTION UPDATE

May 30, 2019

Stage 1 continues

Stage 1 of the Highway 13 Reconstruction project began Monday, May 13, and is scheduled to last about 5 weeks. Stage 1 includes Highway 13 from Highway 282 to just east of Vergus Ave. During this time, Stage 1 will be closed, and traffic will be detoured via Marschall Rd and County Road 42.

Weekly work update

This week, storm sewer/culvert replacement continued, as well as grading of the roadway. This work will continue into next week. The pavement is anticipated to be placed mid-June.

Resident information

Access will still be maintained in the Stage 1 for residents travelling to or from their homes. Those exiting or entering their neighborhood using Vergus Ave north of Hwy 13 are asked to travel straight through the Vergus intersection and continue south—see access map. Garbage and mail pickup will continue as normal. The contractor will be working Monday-Saturday 7 a.m. to 7 p.m.

Stay informed

Weekly updates will be posted on the project website and send out to those subscribed for project updates. If you have any concerns during construction, please reach out to the project email or hotline listed below.
