## OLD WEST MAIN & UPPER HARBOR RENEWAL Project Update

### Red Wing Riverview Skyway “Pedestrian Bridge” Update:

The parking area at the bridge entrance on Levee Road is ready for use for additional Old West Main St parking and business access.

### Old West Main Street Update:

The Contractor is continuing with the new underground work in the Jefferson St intersection. It is anticipated that it will take until the end of next week to get all the utilities completed within the intersection. The contractor has successfully completed the installation of the new sand and aggregate base within the roadway. The contractor plans to pour the new concrete curb and gutter between Jefferson and Washington St on Monday. Immediately following will be the installation on the new the electrical conduit and structural soil. The actual paving of the new concrete roadway is anticipated the last week of month.
