

# CITY OF ORONO: OLD CRYSTAL BAY ROAD

June 8, 2018

OVERVIEW

PROGRESS

ACCESS

UPDATES

CONTACT

Old Crystal Bay Road, from Wayzata Boulevard to 6th Avenue North, is set to be fully reconstructed, widened, with turn lane additions to help improve traffic flow along the corridor. Work includes watermain replacement, storm sewer replacement and improvements, and full reconstruction of the pavement surface. Curb and gutter will be added to portions of the roadway along with sections of a center median and street lighting. Additionally, entrances to school parking areas will be reconstructed to better accommodate traffic flow.

*\*Please note that all scheduling claims are subject to change.*

## WEEK OF JUNE 11

The contractor will mobilize their equipment to the site and set up traffic control for a soft road closure which will remain in place till project completion. Throughout the project, Old Crystal Bay Road will be closed to thru traffic, but open to all local traffic. The major tasks this week will include clearing and grubbing of trees, and removal of the existing pavement.

## WEEK OF JUNE 18

The contractor will continue with removals, including pavement, curb, sidewalk, and utilities. As the week progresses, crews will begin utility construction by replacing the existing watermain and storm sewer. This will continue into the following week.

If you have specific access concerns or questions that need to be addressed, please do not hesitate to contact the project personnel listed at the end.
