CONTACT

The 2018 Street Improvements Project includes the reconstruction of various streets, storm sewer, and watermain throughout the City of Orono. This includes milling existing pavement sections and overlaying new bituminous pavement on Vine Place as well as Lyric Avenue from Livingston Avenue to Blaine Avenue. Additionally, mill and overlay work with storm sewer replacement and guardrail installation will be performed on Leaf Street from Bayside Road to Watertown Road and Forest Lake Landing. Work to be completed on West Lafayette Road includes watermain and water service replacement, reclamation of the bituminous surface, and construction of curb and gutter in some areas. Construction activities on Wildhurst Trail and Minnetonka Highlands Lane include storm sewer construction, curb and gutter and guardrail or portions of the roadway, and reclamation of the bituminous surface. Lastly, the northern end of Linden Lane will be realigned with some culvert replacement as well.

If you have specific access concerns or questions that need to be addressed, please do not hesitate to contact the project personnel listed at the end.

## WEEK OF JUNE 18

Temporary water service has been established to the residents of West Lafayette Road. The old main has been disconnected. Directional drilling of the new main began on Wednesday and should wrap up Friday. Please use caution when traveling in the area.

Storm sewer work is scheduled to begin on Leaf Street on Thursday.

*\*Please note that all scheduling claims are subject to change.*

## WEEK OF JUNE 25

The week of July 4<sup>th</sup> will be a slow week with the holiday and lack of pipe crew available. Only work scheduled at this time is potential milling of bituminous pavement on Leaf Street on the 5<sup>th</sup> or 6<sup>th</sup>. Looking ahead, work could begin on Vine Place, Lyric Avenue and Linden Lane as early as the week of July 9<sup>th</sup>.
