CONTACT

The 2018 Street Improvements Project includes the reconstruction of various streets, storm sewer, and watermain throughout the City of Orono. This includes milling existing pavement sections and overlaying new bituminous pavement on Vine Place as well as Lyric Avenue from Livingston Avenue to Blaine Avenue. Additionally, mill and overlay work with storm sewer replacement and guardrail installation will be performed on Leaf Street from Bayside Road to Watertown Road and Forest Lake Landing. Work to be completed on West Lafayette Road includes watermain and water service replacement, reclamation of the bituminous surface, and construction of curb and gutter in some areas. Construction activities on Wildhurst Trail and Minnetonka Highlands Lane include storm sewer construction, curb and gutter and guardrail or portions of the roadway, and reclamation of the bituminous surface. Lastly, the northern end of Linden Lane will be realigned with some culvert replacement as well.

If you have specific access concerns or questions that need to be addressed, please do not hesitate to contact the project personnel listed at the end.

WEEK OF JULY 16

Milling, crack sealing, patching, and curb repair were completed on Vine Place, Lyric Lane and Linden Lane. Watermain construction will be completed Friday on West Lafayette Road, and forcemain replacement will begin Friday.

Bollard removal and patching was completed on Leaf Street.

**Please note that all scheduling claims are subject to change.*

WEEK OF JULY 23

Forcemain and water service replacement is scheduled for West Lafayette Road. Paving is scheduled for Leaf Street tentatively early in the week.

Depending on weather, storm sewer could begin on West Lafayette Road and Linden Lane as early as next week, along with paving of Lyric Lane and Vine Place.
