CONTACT

The 2018 Street Improvements Project includes the reconstruction of various streets, storm sewer, and watermain throughout the City of Orono. This includes milling existing pavement sections and overlaying new bituminous pavement on Vine Place as well as Lyric Avenue from Livingston Avenue to Blaine Avenue. Additionally, mill and overlay work with storm sewer replacement and guardrail installation will be performed on Leaf Street from Bayside Road to Watertown Road and Forest Lake Landing. Work to be completed on West Lafayette Road includes watermain and water service replacement, reclamation of the bituminous surface, and construction of curb and gutter in some areas. Construction activities on Wildhurst Trail and Minnetonka Highlands Lane include storm sewer construction, curb and gutter and guardrail or portions of the roadway, and reclamation of the bituminous surface. Lastly, the northern end of Linden Lane will be realigned with some culvert replacement as well.

If you have specific access concerns or questions that need to be addressed, please do not hesitate to contact the project personnel listed at the end.

WEEK OF AUGUST 6

Reclamation was completed on Minnetonka Highlands Lane and portions of Forest Lake Landing and Wildhurst Trail. Storm sewer was done on Forest Lake Landing and water service transfer is scheduled for Friday on West Lafayette Road. We apologize for the continued disruption to the residents on West Lafayette Road but now that all the tests have passed, it is full steam ahead.

**Please note that all scheduling claims are subject to change.*

WEEK OF AUGUST 13

Water service transfers and storm sewer on West Lafayette Road is scheduled early in the week. Grading and curbing for Minnetonka Highlands Lane and Linden Lane are scheduled to prepare for final paving. Storm sewer work will wrap up on Forest Lake Landing and begin on Wildhurst Trail. The intention is to pave more than one road at a time. So if you see the contractor pull out for a couple days, be aware they could return to pave shortly.
