CONTACT

The 2018 Street Improvements Project includes the reconstruction of various streets, storm sewer, and watermain throughout the City of Orono. This includes milling existing pavement sections and overlaying new bituminous pavement on Vine Place as well as Lyric Avenue from Livingston Avenue to Blaine Avenue. Additionally, mill and overlay work with storm sewer replacement and guardrail installation will be performed on Leaf Street from Bayside Road to Watertown Road and Forest Lake Landing. Work to be completed on West Lafayette Road includes watermain and water service replacement, reclamation of the bituminous surface, and construction of curb and gutter in some areas. Construction activities on Wildhurst Trail and Minnetonka Highlands Lane include storm sewer construction, curb and gutter and guardrail or portions of the roadway, and reclamation of the bituminous surface. Lastly, the northern end of Linden Lane will be realigned with some culvert replacement as well.

If you have specific access concerns or questions that need to be addressed, please do not hesitate to contact the project personnel listed at the end.

WEEK OF AUGUST 20

Road grading was nearly completed on West Lafayette Road. Storm sewer construction continued on Wildhurst Trail and wrapped up on Forest Lake Landing. Grading was completing on Minnetonka Highlands Lane in curbed areas to prepare for next week.

*\*Please note that all scheduling claims are subject to change.*

WEEK OF AUGUST 27

Storm sewer work on Wildhurst Trail will continue throughout the week. Curb construction is scheduled take place on West Lafayette Road and Minnetonka Highlands Lane likely on Wednesday or Thursday. Grading and pavement preparation will take place on Linden Lane as time permits.

Thank you all for your patience and cooperation on this project, especially the residents of West Lafayette Road. Lots of progress is being made to wrap up these jobs next month.
