CONTACT

The 2018 Street Improvements Project includes the reconstruction of various streets, storm sewer, and watermain throughout the City of Orono. This includes milling existing pavement sections and overlaying new bituminous pavement on Vine Place as well as Lyric Avenue from Livingston Avenue to Blaine Avenue. Additionally, mill and overlay work with storm sewer replacement and guardrail installation will be performed on Leaf Street from Bayside Road to Watertown Road and Forest Lake Landing. Work to be completed on West Lafayette Road includes watermain and water service replacement, reclamation of the bituminous surface, and construction of curb and gutter in some areas. Construction activities on Wildhurst Trail and Minnetonka Highlands Lane include storm sewer construction, curb and gutter and guardrail or portions of the roadway, and reclamation of the bituminous surface. Lastly, the northern end of Linden Lane will be realigned with some culvert replacement as well.

If you have specific access concerns or questions that need to be addressed, please do not hesitate to contact the project personnel listed at the end.

WEEK OF AUGUST 27

Storm sewer work continued on Wildhurst Trail and road building work finished on West Lafayette Road to prepare for curb and gutter construction.

**Please note that all scheduling claims are subject to change.*

WEEK OF SEPTEMBER 4

Curb and gutter construction is scheduled for Tuesday on West Lafayette Road and Minnetonka Highlands. During the initial few days of concrete curing, Access will be restricted on driveways affected on West Lafayette Road. If you need to leave your residence during the day on Tuesday, please relocate your vehicle in the morning.

Road building is slated to begin on Forest Lake Landing and Linden Lane toward the end of the week. Storm sewer should wrap up on Wildhurst Trail by the end of the week.
