The 2018 Street Improvements Project includes the reconstruction of various streets, storm sewer, and watermain throughout the City of Orono. This includes milling existing pavement sections and overlaying new bituminous pavement on Vine Place as well as Lyric Avenue from Livingston Avenue to Blaine Avenue. Additionally, mill and overlay work with storm sewer replacement and guardrail installation will be performed on Leaf Street from Bayside Road to Watertown Road and Forest Lake Landing. Work to be completed on West Lafayette Road includes watermain and water service replacement, reclamation of the bituminous surface, and construction of curb and gutter in some areas. Construction activities on Wildhurst Trail and Minnetonka Highlands Lane include storm sewer construction, curb and gutter and guardrail or portions of the roadway, and reclamation of the bituminous surface. Lastly, the northern end of Linden Lane will be realigned with some culvert replacement as well.

If you have specific access concerns or questions that need to be addressed, please do not hesitate to contact the project personnel listed at the end.

## WEEK OF SEPTEMBER 4

Storm sewer work was substantially completed on Wildhurst Trail. Curb and gutter was installed on Minnetonka Highlands Lane and West Lafayette Road. Excess dirt piles, and further site cleanup will be completed on Friday in preparation for next week's

*\*Please note that all scheduling claims are subject to change.*

## WEEK OF SEPTEMBER 10

Curb on West Lafayette Road and Minnetonka Highlands Lane is slated to be backfilled on Monday followed by final grading in preparation for paving on Friday.

The two remaining storm structures will be installed on Wildhurst Trail upon relocation of the gas main next week. Preliminary grading will follow right after.

Work on Linden Lane will happen as time permits.
