

CITY OF ORONO: OLD CRYSTAL BAY ROAD

September 28, 2018

OVERVIEW

PROGRESS

ACCESS

UPDATES

CONTACT

Old Crystal Bay Road, from Wayzata Boulevard to 6th Avenue North, is set to be fully reconstructed, widened, with turn lane additions to help improve traffic flow along the corridor. Work includes watermain replacement, storm sewer replacement and improvements, and full reconstruction of the pavement surface. Curb and gutter will be added to portions of the roadway along with sections of a center median and street lighting. Additionally, entrances to school parking areas will be reconstructed to better accommodate traffic flow.

WEEK OF OCTOBER 1

Next week's expected work includes more trail grading, paving and patching, further sign installation and turf restoration.

Thank you for your continued cooperation throughout the summer. We will continue to update you as final project aspects are completed throughout the fall.

**Please note that all scheduling claims are subject to change.*

WEEK OF SEPTEMBER 24

Along Old Crystal Bay Road this week, manholes and water valves were raised in preparation for the final lift of pavement. Bituminous trail grading, paving, and patching also took place along with sign installation.

If you have specific access concerns or questions that need to be addressed, please do not hesitate to contact the project hotline at the number below.
