

# 2025 Street Reclamation Project

## MAY 2024 OPEN HOUSE SUMMARY

~25 ATTENDEES

An open house was held on May 16 that introduced the project and shared and collected feedback on the proposed improvements. Informational materials and feedback opportunities were also available on the project website following the meeting,

### WHAT WE HEARD

-  Concerns about assessment costs
-  Mixed responses about addition of curb and gutter
-  Requests to pave all of Pike Lake Rd.
-  Concerns about parking and access during construction
-  Requests to improve Martindale St. and Hickory Ln. cul-de-sacs

-  Questions about adding public sewer and water lines
-  Request for “no outlet” sign for Hickory Ln.
-  Request for curbs that are easy to drive over
-  Request for street name clarification and signage

### WHAT'S NEXT?

The project team will consider the feedback received and finalize the feasibility report with a recommended design. The feasibility report will be brought to the City Council and a public improvement hearing will be held to consider approving the project for final design. **Another neighborhood meeting will be held in fall 2024** to share the final design and draft plans for construction.
