**CITY OF RANDOLPH
2021-2023 SANITARY SEWER PROJECT QUESTIONNAIRE**

PLEASE RETURN TO CITY HALL (4365 292nd Street East P.O. Box 68, Randolph, MN 55065)

BY: JANUARY 1, 2021

QUESTIONNAIRES CAN ALSO BE SCANNED AND EMAILED TO MATT.BLAZER@BOLTON-MENK.COM

Sanitary Sewer Construction is planned for your street in 2022 or 2023. This questionnaire is a valuable resource for the City in identifying planning the project. Your comments are greatly appreciated.

1. DRAINAGE

I have observed standing water in the street or my front yard after a significant rain. It is located at:

2. SANITARY SEWER, please indicate 'yes' with an X as applicable:

We have NOT experienced problems with our septic system.

We have experienced problems or replaced our septic system. Please describe:

3. WATERMAIN, please indicate 'yes' with an X as applicable:

We have NOT experienced problems with our water service.

We have experienced problems or replaced our water service. Please describe:

4. IRRIGATION SYSTEM / INVISIBLE FENCE, please indicate 'yes' with an X as applicable:

Yes, we have an irrigation system. Yes, we have an invisible pet fence.

5. TREES / LANDSCAPING

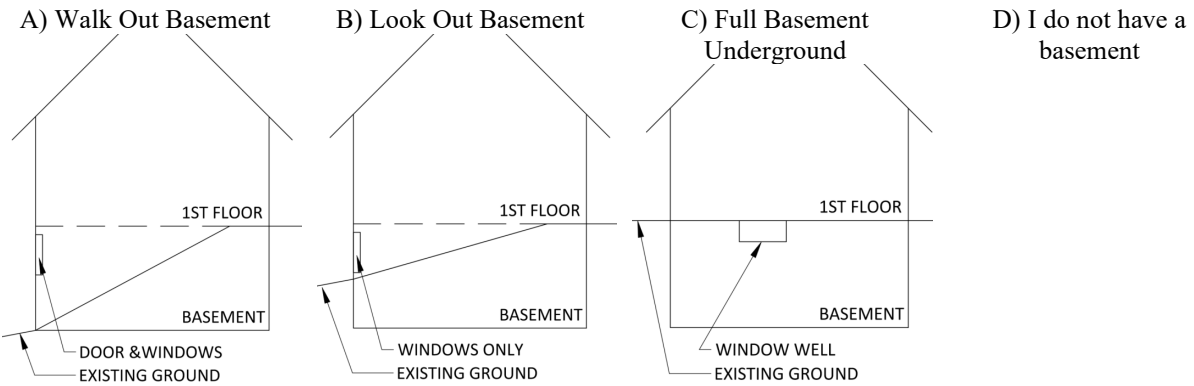

Do you have concerns about the condition of trees or potential impacts to landscaping in your front yard? If so, describe.

6. GENERAL COMMENTS / QUESTIONS

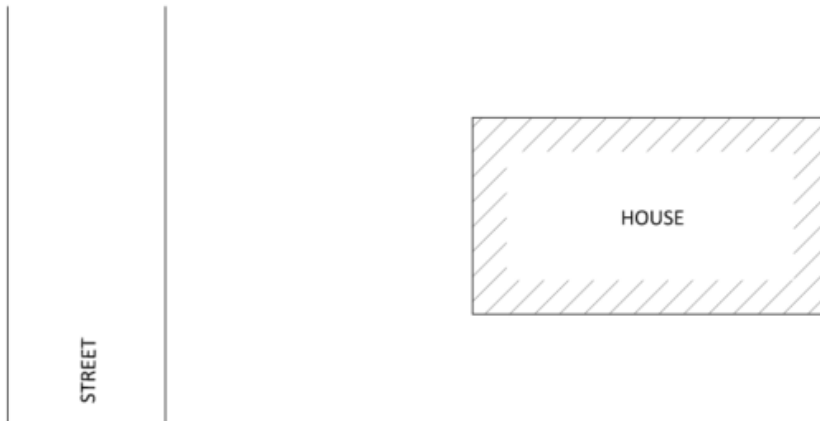

Please describe any issues you suggest be considered as part of this project:

---- MORE QUESTIONS ON BACK ----

7. The basement at my home looks similar to: (circle one)

8. Please sketch an approximate layout of the existing septic system on my lot especially noting where the sewer pipe leaves the home, the location of the existing septic system, and the location of your driveway.

The following information is optional but is useful if we have a question about your responses:

Name: _____ Phone No.: _____

Address: _____ Email: _____

Please sign me up for future email project updates

THANK YOU FOR YOUR RESPONSE!

Should you have any questions please contact Matt Blazer at 612-756-4823 or Matt.Blazer@bolton-menk.com
