

This project is intended to begin the transformation of the Broadway Avenue corridor (from Civic Center Drive to 13th Street North) into a significant multi-modal gateway to downtown Rochester and the Destination Medical Center (DMC) Development District.

CONSTRUCTION UPDATE

The weather has been favorable to continue making great progress on the construction. Sidewalks and drive approaches from the bridge south to 11 Street will be complete by August 16. Vehicle traffic to these locations will continue to be via side streets and alleys at that time.

Around August 23, the bypass lanes at the north end of the project will shift to the southbound lanes of North Broadway. The map to the right has been updated with this information.

RPU is replacing a large structure near the southwest corner of the bridge which may affect this date. Please continue to watch for signage to guide you when driving and walking in the area.

PROJECT CONTACTS

CORY PENZ, ELCOR PROJECT ACCESS MANAGER
507-735-0150 • CORY@ELCORCONSTRUCTION.COM

MATT SMITH, ELCOR PROJECT MANAGER
507-951-1062 • MATT@ELCORCONSTRUCTION.COM

JAYMI WILSON, COMMUNITY LIAISON PROJECT MANAGER
507-328-2023 • JWILSON@ROCHESTERMN.GOV

JOSH FJETLAND, PROJECT INSPECTOR
507-269-2223 • JFJETLAND@ROCHESTERMN.GOV

Join us the 1st and 3rd Wednesday at 9 AM for the North Broadway Stakeholder meeting. The link for the meeting can be found on the Reconstruct Broadway site, under the Get Involved tab.

A temporary pedestrian path around Silver Lake will open the week of August 30.

Pedestrians will continue to detour across Broadway at 12 Street.
