

This project is intended to begin the transformation of the Broadway Avenue corridor (from Civic Center Drive to 13th Street North) into a significant multi-modal gateway to downtown Rochester and the Destination Medical Center (DMC) Development District.

CONSTRUCTION UPDATE

On July 26th, the 7th Street intersection will close for four weeks, reopening August 23rd. During this time, traffic will be detoured to cross Broadway at Civic Center Drive. The pedestrian crossing is temporarily moved to 10th street, but will be moving back to 12th street early next week.

The crews are reconstructing the north street section, including the road base and curb & gutter. These activities will make this section of the project more recognizable as a street and are stepping stones to allowing the road to open around August 16th.

Join us the 1st and 3rd Wednesday at 9 AM for the North Broadway Stakeholder meeting. The link for the meeting can be found on the Reconstruct Broadway site, under the [Get Involved](#) tab.

PROJECT CONTACTS

CORY PENZ, ELCOR PROJECT ACCESS MANAGER
507-735-0150 • CORY@ELCORCONSTRUCTION.COM

MATT SMITH, ELCOR PROJECT MANAGER
507-951-1062 • MATT@ELCORCONSTRUCTION.COM
