

NORTH BROADWAY

This project is intended to begin the transformation of the Broadway Avenue corridor (from Civic Center Drive to 13th Street North) into a significant multi-modal gateway to downtown Rochester and the Destination Medical Center (DMC) Development District.

CONSTRUCTION UPDATE

Construction is progressing and the project is currently in position to meet the expected completion timeline of September 2022.

7 Street NE

Construction on 7 Street SE to the east of Broadway Avenue is nearly complete and the roadway is expected to reopen on Friday, May 27.

Sidewalk from 5 Street south

The sidewalk work alongside Kemps is expected to be complete by June 4, restoring pedestrian access along Broadway Avenue from 5 Street to Civic Center Drive.

Alleys & Sidestreets

- Currently pouring concrete on the alleys and side streets east of Broadway.
- Underground utility work is occurring on the alleys and side streets west of Broadway. This is expected to take 4-6 more weeks.

**All dates are weather-dependent.*
